UNITED STATES OF AMERICA	§

vs.	§	NO: WA:19-CR-00258(9)-ADA
	§	
(9) DALIA RAQUEL ESTRADA	§	
GONZALEZ ROBINSON		

ORDER ACCEPTING REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE

Before the court is the above styled and numbered cause. On August 28, 2025 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (9) DALIA RAQUEL ESTRADA GONZALEZ ROBINSON, which alleged that Gonzalez violated a condition of her supervised release and recommended that Gonzalez's supervised release be revoked (Clerk's Document No. 605). A warrant issued and Gonzalez was arrested. On September 24, 2025, Gonzalez appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set..

Gonzalez appeared before the magistrate judge on October 7, 2025, waived her right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge. Following the hearing, the magistrate judge signed his report and recommendation on October 7, 2025, which provides that having carefully considered all of the arguments and evidence presented by the Government and Defendant, based on the

original offense and the intervening conduct of Gonzalez, the magistrate judge recommends that this court continue Gonzalez supervised release. The magistrate judge recommends the additional following special conditions: the defendant submit to mental health and/or substance abuse treatment as determined by the probation officer, if those conditions are not already included. It is further

RECOMMENDED that the defendant be brought before the undersigned for any future supervised release violations if at all practical (Clerk's Document No. 618).

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On October 7, 2025, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No.

617). The court, having reviewed the entire record and finding no plain error, accepts and adopts the report and recommendation filed in this cause.

IT IS THEREFORE ORDERED that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 618) is hereby ACCEPTED AND ADOPTED by this court.

IT IS FURTHER ORDERED that Defendant (9) DALIA RAQUEL ESTRADA GONZALEZ ROBINSON's term of supervised release is hereby CONTINUED. In addition, defendant Gonzalez shall comply with the following special conditions:

The defendant shall submit to mental health and/or substance abuse treatment as determined by the probation officer, if those conditions are not already included.

IT IS FURTHER ORDERED that all prior conditions of supervised release are reimposed. It is further ORDERED that the defendant be brought before the Honorable Derek T. Gilliland for any future supervised release violations if at all practical.

Signed this 8th day of October, 2025.

UNITED STATES DISTRICT JUDGE
